### BUSINESS ENHANCING TRAINING FOR MICROSOFT DYNAMICS AX

Moore Stephens Progress Technology (MSPT) specialises in the provision of a range of progressive business process enhancing products and services.

As a Microsoft Gold Certified Software and Technology Solutions provider, MSPT offers a wide range of training specialising in all versions of Dynamics. With a team of dedicated Microsoft Certified Trainers (MCTs) in Dynamics AX with over 30 years combined experience we have met the training needs of individuals and organisations across Australia and abroad.

At MSPT we offer an extensive range of Microsoft Dynamics AX courses in versions AX 2009, 4.0, 3.0 & 2.5.

We also offer a range of tailored and flexible training delivery methods, including MSPT office training centres, client on-site and remote via the internet.
